

Spring Fitness Classes - April 6 to June 28

YMCA Fitness classes are an excellent way to get in shape!

- Barbell Fit:** Increase your strength & endurance with barbell weight training.
- Barre 360*:** Light weights, resistance bands & small exercise balls are used for small pulsing movements that focus on form, alignment and core engagement.
- Belly Dance:** Have fun with this torso-driven dance with an emphasis on articulation of the hips.
- Boot Camp:** Put your body to the test with challenging cardio, weights, core strength, intervals & drills.
- Cardio Drumming:** A dynamic cardiovascular workout combining drumming, rhythm, & music.
- Chair Yoga:** Gentle practice of stretches & poses to assist with flexibility & mindfulness, performed in a chair.
- Cycle Core:** Get your heart rate up & burn calories on the bike, then to the mat for core work!**
- Cycle Fit:** Get ready for the ride of a lifetime! This class simulates a bike ride as you ride on flat roads, climb hills, sprint & race.**
- Dance & Tone:** Have fun dancing to upbeat tunes using small weights to sculpt arms & core.
- Fit Camp:** Strength exercises & cardiovascular training to build strength, endurance & confidence.
- Gentle Fit:** Modified class for the specific needs of our senior members and those looking for a less intense class.
- Gentle Yoga Flow*:** This class is a space to rest, release & restore- moving slowly, breathing deeply and unwinding with a slow flow for body & mind.
- Guided Meditation*:** Participants will be gently guided through basic steps in their meditation practice.
- HIIT/Core Fusion:** High intensity intervals with exercises to target the entire core while pushing your cardiovascular, muscular & endurance systems to the limit!
- HIIT The Tread:** High Intensity Interval Training is a great way to improve heart health, build endurance, strength and speed. Bursts of effort will be followed by active recovery throughout this run.
- Kickstart:** You will be challenged in many ways... strength training, circuit training, step aerobics & more!
- Line Dancing:** A fun form of dance where participants dance in one or more lines facing the same direction. No experience necessary!
- Metabolic Meltdown:** Metabolic strength workout using a variety of compound moves to work all muscle groups.
- Morning Meditation*:** Start your day right with meditation to clear the mind, relax, and reduce stress.
- Pilates:** Increase core strength, stability & flexibility with repetitive exercises on an exercise mat. Capacity 16.
- PiYO*:** An intense workout that combines the muscle-sculpting & core-firming benefits of Pilates, with the strength & flexibility movements of Yoga.
- Power Hour:** Uses a variety of resistance equipment, designed to increase lean muscle & improve strength.
- Spin & Yin*:** This class combines the two extremes of fitness with a high intensity half hour cardio workout on the bike, then 30 minutes on the mat with a focused series of yoga poses designed to get deep into the joints and fascia. Get the most bang for your buck with this carefully planned two in one workout!
- Step Interval:** Choreographed class with intervals of strength training for a balanced, challenging, fun workout.
- Strength & Cardio:** A combination of strength training exercises and cardio intervals to improve overall fitness.
- Strength Training:** This class builds muscular strength using a variety of equipment & muscle groups.
- Stretch & Release*:** Myofascial release class to improve flexibility, mobility, range of motion and recovery using a variety of techniques & equipment including foam rollers & massage balls.
- Stretch & Strengthen:** This class is a dynamic, full-body workout designed to simultaneously build muscle and joint strength whilst also increasing flexibility, mobility and balance.
- Synergy:** Circuit style class using the Synergy 360 Station with a variety of exercises to challenge the cardiovascular & muscular systems.
- Tai Chi (24 Form):** Tai Chi (24 Form) is based on Yang Style Tai Chi, derived from the Yang 108.
- TRX & Conditioning:** TRX is a form of suspension training that uses body weight exercises to develop strength, balance, flexibility & core stability.**
- Turf Time:** Build fitness, strength & mobility that's transferrable to daily life whilst having fun and discovering new equipment.**
- Up & Running:** This class combines hills, speed, endurance, and muscle work to create an intense treadmill interval class that you will love.**
- Yin/Yang Yoga*:** This practice blends 2 styles of yoga into one, bringing the benefits of passively holding yoga poses with more dynamic sequences & standing postures.
- Yin Yoga*:** A more meditative version of the popular physical & spiritual discipline of Yoga. Poses are held for a long period of time to target the connective tissues rather than focusing entirely on muscles.
- Yobility*:** A combo of Yoga & mobility exercises to stretch, increase mobility & strengthen common problem areas.
- Yoga*:** Connects body, breath, & mind using physical postures & breathing exercises.
- Yogalates*:** This core strength class works on flexibility & controlled breathing.
- Zumba:** A dynamic challenging fitness program using Latin dance flavours. Fast & slow rhythms, stretching & FUN!
- Zumba Step:** A lower body workout combining Zumba routines and step aerobics with Latin dance rhythms.

* Yoga Mat Required ** Limited Capacity

POOL CLASSES - Low impact workouts with no stress on the joints!

Aqua Fit: Cardiovascular & resistance training that can be done in either deep or shallow water.

Live Yers: This is a lively, fun class where seniors use noodles, dumbbells, and balls. Everyone can participate where they feel comfortable, as this class can be done in either the deep or shallow end.
